

**WINDSURFER CLASS FRANCE SUBMISSION TO THE BOARD AND  
TECHNICAL COMMITTEE OF IWCA :**

***OVERALL RANKING OF AN EVENT***

We as representatives of the executive committee of the Windsurfer Class France, submit the following proposal to the board of the IWCA as follow :

- We hereby submit a request for the introduction in the IWCA Rules of an official system for calculating the overall ranking of a given competition when Courses Races (CR), Slalom (SL) and Long Distance (LD) are programmed.
- Overall Score:
  - Overall score will be the sum of:
    - course racing final position (division results)
    - slalom final position (division results)
    - Long Distance final position (division results)
  - Overall Score Tie Breaks:
    - 1- Long Distance final position (overall result)
    - 2- Should the Long Distance be canceled for any reason whatsoever final criteria is the best result among all 5 categories in course racing, and if there is still a tie between categories the tie shall be broken according to RRS Appendice B A.8.
- The notice of race should mention such provision.

We thank the IWCA Board and technical committee for their attention to our submission for the modification of the IWCA Class Rules.
